

Emergency Shelter Areas

Local sirens or police cars will use their PA systems to inform you of severe weather. The same announcement will be made from the stage in the CYcling festival and parking area.

Festival Area:

The Bergstrom building, Hilton Coliseum and Stephens will be used in the event of a non-tornado warning (heavy rain, strong winds, hail, etc).

Camping Areas:

If you are camping in the official Campgrounds, and are in need of storm shelter, please go to the following buildings or find a low ditch area for protection.

ISU West Campgrounds:

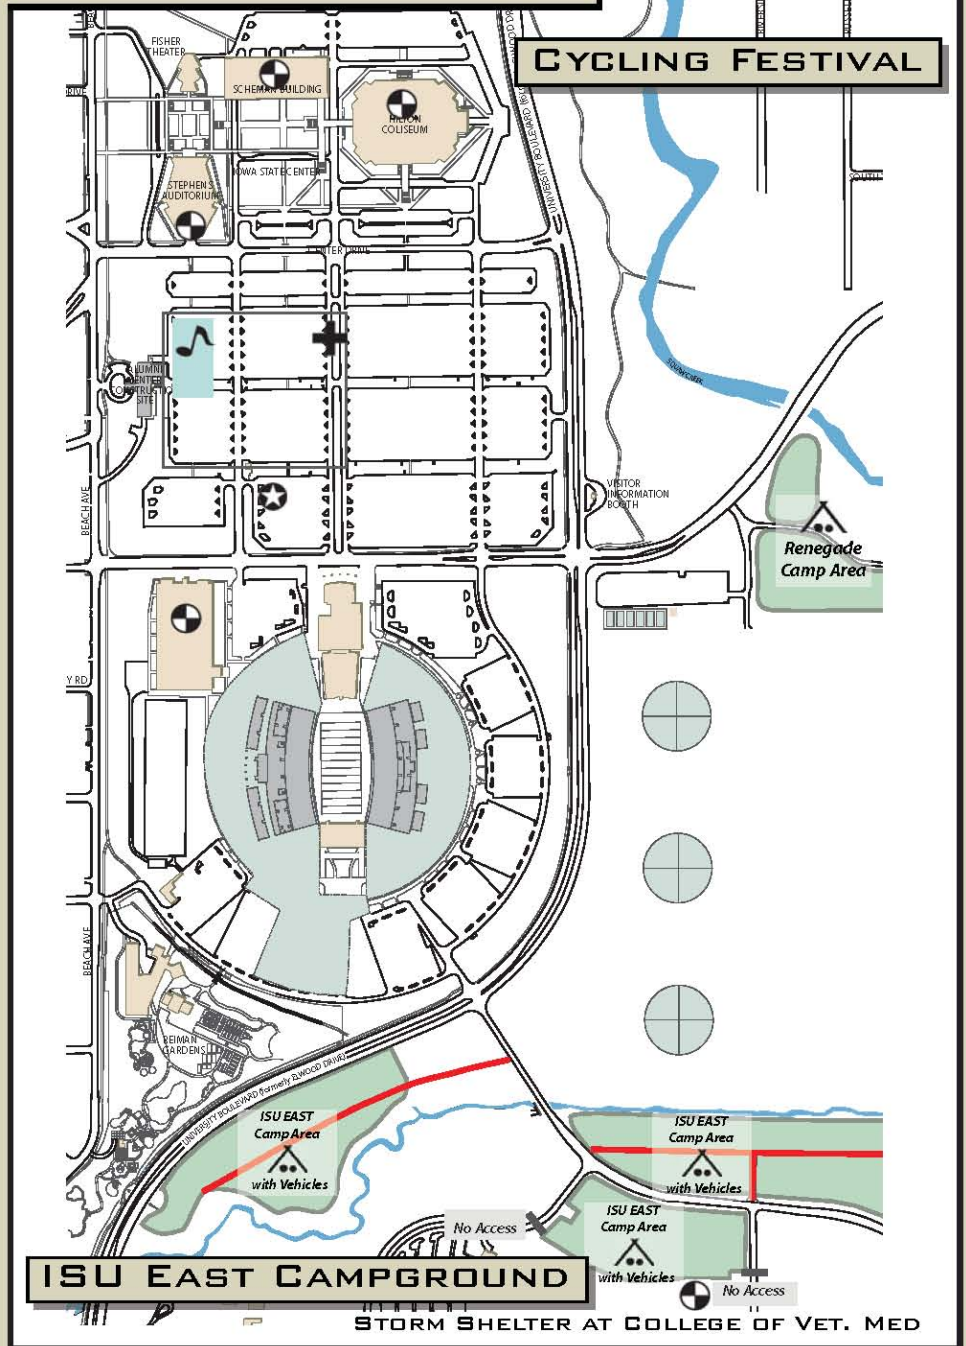

- Knapp- Storms Building
- Wallace-Wilson Building

ISU East Campgrounds:

- Bergstrom Building
- Vet Med Complex

Quiet Campgrounds:

In the event of an emergency, proceed to the West Campgrounds emergency shelter, or use the ravine (a low lying area) located on the North West edge of the campgrounds.
